Hey Eric-

I don't think we need a desk statement for this since we have the press release. If we get inquiries, we will plan to manage them individually.

Does that make sense?

Great, thanks Beth. I updated the communications plan accordingly.

One think we didn't discuss today was a desk statement.

Kate / Emily – I assume you guys have enough info. for a desk statement, if you feel one is necessary.

Thanks again,

Eric

Hi Deb,
OPA is coordinating with Air on the press release, notification to Congressionals and state commissioners. Would you like talking points on this for the **1/19 call** with Commissioner Dykes and the **1/25** meeting with Director Gray? This was asked during this morning's So. Fork Wind communications plan meeting.
Thanks
Beth
